~~My dear~~
11 years old
6th Grade

Dear Mary,

It has been a pleasure knowing you and having you as my classmate. Although you get giggly at times you're a pretty swell girl. I know that the other students in this room like you as well as I do and anyone who doesn't like you is sort of lousy in the head. We've had a lot of fun laughing and talking together, me and you and Kenneth. It won't be as hard being taught lessons after school is out for summer vacation and after you're through you'll have as much or more fun than the rest of us. So keep up the good work and you'll have many friends like you always have had.

With love
John R. Bumbelon
